PRELIMINARY AMENDMENT

Hon. Commissioner of Patents and Trademarks Washington, D.C. 20231

Dear Sir:

Prior to examination on the merits, please amend the above captioned patent application as shown below.

IN THE CLAIMS

- 1. A computer station of a computer network, said computer station comprising:
 - a computer station network interface;
 - a microphone;
 - a speaker; and

an audio communication system, said audio communication system comprising:

an audio responsive input unit which accepts analog audio waveform signals from the microphone and digitizes the audio waveform signals;
